

VICTORIA HIGHLAND GAMES CODE OF CONDUCT

Thank you for volunteering for the Victoria Highland Games and Celtic Festival. Your time and talents help make this awesome event possible.

Volunteer Code of Conduct

In order for the Games to run smoothly and efficiently, it's important for all volunteers to understand and follow a few simple rules:

- No friends/spouses/children/others are allowed to accompany volunteers during their shift (unless they are registered volunteers as well)
- Volunteers must complete their FULL shift
- If you cannot fulfill your shift, you need to notify the Volunteer Coordinators as soon as possible
- No smoking is permitted in Topaz Park
- No dogs are allowed in Topaz Park
- No alcohol consumption is allowed during your shift

When volunteering with the Victoria Highland Games, you are representing our organization to the public and need to be courteous and helpful to those enjoying the Games. With volunteer help and cooperation, it will be another fun-filled, amazing event!
